Some examples of Moon Gallery Art Party projects...

Paint Your Own Portrait

This is a project that we have done many times with great success. Following a step by step approach, everyone will have fun drawing or painting themselves (does not have to be realistic).

Abstract Exploration

This theme engages people in the hands-on process of making art without the frustration of looking at objects. Each person will design a canvas by means of various techniques that encompass color schemes, patterns and paint splattering.

Children & Young Adult Art Parties

Young people love to create, especially in a fun environment with their friends. We'll organize art activities that will give your children a great time and you'll have no muss or fuss!

Jewelry Making

Make your own art pins, treasure necklaces & bracelets, artisan earrings, fiber art jewelry... whatever you can imagine we can help you create!

Crafts/Folk Art

Group project that's perfect for a birthday, wedding, anniversary or shower gift. Numerous custom craft projects available, such as: memory boxes, dish gardens, painted t-shirts and so much more.

Do you have your own ideas?

We're happy to work with you to customize your party ~ we can explore other creative activities, or accommodate larger (or smaller) parties, or make arrangements for special foods... just let us know!

Most importantly, our Art Parties are designed to be playful and stress-free, with no prior art experience necessary!

Food and Drink:

We can arrange for appetizers and/or non-alcoholic beverages for an additional fee when hosted at The Moon Gallery.

Host or hostesses may bring their own alcoholic beverages for art parties held at our gallery; and of course you can offer whatever drinks and snacks you wish when the Art Party is hosted at your own location!

Most art parties run from 2 to 3 hours ~ additional time can be arranged by prior agreement ~ just let us know!
